HOURS, RATES & GUIDELINES

ABOUT

Dr. Robert W. Browne and his wife Lynn made the financial commitment of funding up to \$15.1 million dollars for a major expansion of recreational facilities within the City of Coldwater. With the gift from Dr. Browne, the existing Recreation Gymnasium more than doubled in size. It now includes a multi-purpose floor that will be usable for a number of activities. The facility also includes an indoor walking track and community activity rooms.

Dr. Browne is the American success story. Coming from humble beginnings as a child in Coldwater, this distinguished alumni of the 1942 graduating class of Coldwater High School succeeded in serving his country as a WWII pilot. He returned from the war to put himself through dental school at the University of Michigan, eventually becoming an orthodontist, and ultimately a successful businessman and philanthropist in the Grand Rapids area.

“As we grow older, those of us fortunate to have been raised in Coldwater come to appreciate the blessings of our hometown and what it has to generously offer.”
